

PVC Cement (Clear)-Regular Bodied

Products - [Cat 7 - Plastic Pipe Cements](#)

DESCRIPTION

Black Swan PVC Cement - Regular is a regular bodied, fast set, high strength PVC solvent cement used to join PVC pipe and fittings. For all classes and schedules of pipe and fittings through 4" diameter, except schedule 80 which is recommended up to 2" diameter. Product is most effective when used in temperature ranges from 40°F to 100°F.

SHELF LIFE

Two years from date on bottom of can.

STANDARDS AND APPROVALS

Meets ASTM D-2564 and is listed by NSF International for use on potable water, sewer and drain, waste & vent systems.

PACKAGING

Available in 1/4 pint, 1/2 pint, pint, quart, gallon and 55 gallon containers. Larger sizes available upon request. On sizes smaller than one gallon there is a dauber in each container to facilitate application of cement.
