

## Pressure-Assist 1.6 gpf Replacement Tank Kit

Powered by EcoFlush®

Zurn Z8106 Pressure-Assist Replacement Tank Kit powered by EcoFlush is proven to be the safest pressure-assist tank on the market. Backed by a 10-year warranty, it is guaranteed to provide years of trouble-free performance.

Featuring dual pressure protection, a complete reinforced fiber composite tank, polished chrome-plated flush lever\*, and tank-to-bowl gasket, this kit is designed to drop in and retrofit any existing 1.6 gpf Sloan Flushmate® III pressure-assist toilet tank.

- Safe and dependable dual pressure protection system
- Specifically designed to retrofit Sloan 1.6 gpf Flushmate III tanks
- Eliminates leaking between flushes
- Most accurate and consistent flushing volume
- Pneumatic ADA handle actuates with less than two pounds of force
- 10-year warranty

Dual pressure relief protection system prevents pressure build-up over 50 psi.

\* Left-hand tank standard, specify -RH for right-hand tank kit.
