

Location: _____

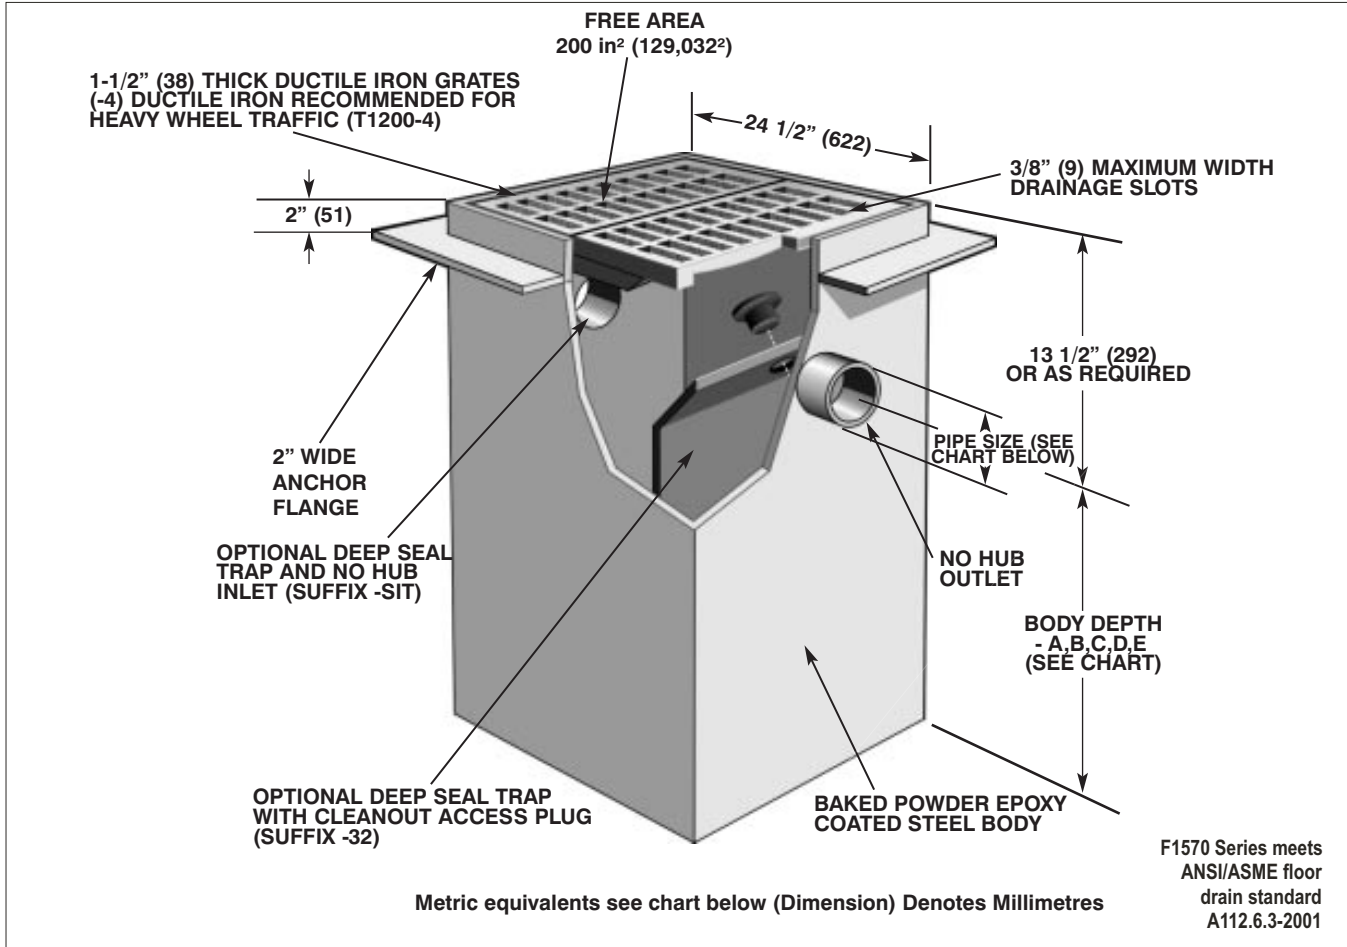

F1570

24" x 24" HEAVY DUTY PARKING AREA CATCH BASIN

Specification: MIFAB Series F1570 - (A, B, C, D or E) powder epoxy coated heavy duty parking area catch basin with anchor flange, and extra heavy duty 24" x 24" (610 x 610) two section (specify material finish) grates with a free area of 200 square inches (129,032²). Grates to have maximum 13/16" (21) openings.

Function: Used in industrial factories, mechanical rooms, parking garages and other membrane finished areas. 24" x 24" tractor grate is used with all types of poured finished floors. The anchor flange provides maximum support for drain. Extra deep sump body is designed to handle large flows of water.
